1 **Administrative Staff**

John Cooper, Department Head 314-362-0287
(jcooper11@gmail.com)

Jayma Mikes, Business Manager 314-362-0262
(jmikes@wustl.edu)

Melissa Torres, Assistant to the Chair 314-362-0287
(torresm@wustl.edu)

Darrell Baldwin, Facilities Coordinator 314-747-0425
(dbaldwin@wustl.edu) pager 663-0627

Nick Caito, Systems Manager 314-362-0265
(caiton@wustl.edu) for computer support (http://biochemsupport.wustl.edu)

Becky Evans, Assistant Business Manager 314-273-7729
(evansb@wustl.edu)

Patti Hunt, Supervisor, Lab Support Services 314-362-3339
(phunt@wustl.edu)

Ginny Ribaudo, Research Administrator 314-362-4216
(ribaudo@wustl.edu)

2 **Calendars**

The schedule for conference rooms, projectors and laptops is held in a Web-based application that is available through the departmental website under Resources or at http://biochem.wustl.edu/calendars.

3 **Computer Support**

Computer support is provided by the Research Computing Group. Please submit support requests to http://biochemsupport.wustl.edu/. Contact is Nick Caito.

4 **Copiers/Printers**

Departmental copiers/printers are located in 2809 North and 2901 South. They are accessible with a copy code. Please see Nick Caito (http://biochemsupport.wustl.edu) to obtain a code.
5 eRA Commons Access
Ginny Ribaudo (314-362-4216) will request access for all new PIs and applicable staff. eRA Commons https://public.era.nih.gov/commons/

6 Facilities
Darrell Baldwin (beeper 314-663-0627) handles all facility related issues for the department. If you have a plant issue or need a piece of equipment moved or a shelf hung please contact Darrell.

7 Faculty Financial Reporting
Faculty at WUSM have access to financial information related to their funding via the Faculty Financial Reporting website at https://raps.wustl.edu/approot/ffr/ffr_login.htm. Contact Ginny Ribaudo (314-362-4216) for questions regarding the FFR system. Ginny also generates a monthly report that provides fund balance and sourcing information for each PI. Ginny and Jayma meet with the individual PIs quarterly to keep PIs informed and discuss any issues.

8 Glassware Washing
The Department of Biochemistry and Molecular Biophysics offers a glassware washing service. The glassware washing area is located on the 1st floor of the South Building. Marin Markov performs the glasswashing. Patti Hunt is the manager of this service and can be reached at (314-362-3339).

9 Grant Proposals – Pre and Post Award
Ginny Ribaudo (314-362-4216) provides grant proposal and management assistance. Please make contact with her when planning to submit to any agency.

10 Helpdesk – Systems and Procedures – 314-935-5707
Helpdesk hours are 8:30 a.m. - 5:00 p.m. Monday – Friday. Technicians can assist with Marketplace and AIS system questions. They can also be reached via email SAP@wustl.edu. The Systems and Procedures website contains a variety of useful university links http://fishelp.wustl.edu/Pages/default.aspx.

11 Laundry
The department utilizes Faultless Laundry Service for cleaning of lab coats. A bin is located in the glassware washing facility for soiled lab coats. Please contact Patti Hunt (314-362-3339) prior to placing lab coats in the bin for the first time.
12 Liquid Nitrogen
The Department of Biochemistry and Molecular Biophysics offers a liquid nitrogen delivery service. Darrell Baldwin (314-747-0425) is the contact to request this service.

13 Mail/Express Mail/Parcel Services
Mail is picked up and delivered to the departmental mailroom by Mail Services personnel. Express mail and parcel services are also available through FedEx and UPS. Supplies are housed in the 2901 South mailroom and in the Stockroom.

14 New Hire Procedure
Paperwork for employment is handled at the department level. See Jayma Mikes (314-362-0262) to complete paperwork and obtain key(s) and badge.

15 Package Delivery
The Department of Biochemistry and Molecular Biophysics employs personnel to pick-up packages shipped to receiving and deliver them to your lab. Delivery personnel can be reached at 314-362-3093.

16 Phone Lines
Requests for phone lines are handled by Amanda Hedrich in Cell Biology (314-362-6949) after consultation with the PI.

17 Photos
Photos for departmental bulletin board are taken by Jayma Mikes (314-362-0262).

18 Purchasing
The majority of purchasing is accomplished using the SciQuest MarketPlace system. This system is available to everyone in the department. Please contact Jayma Mikes (314-362-0292) for training. Each purchase requisition entered into MarketPlace requires a requisitioner approval before it is routed to the financial system. Equipment purchases over $5,000 must be entered into the financial system by admin personnel. If you have any questions regarding purchasing, please contact Jayma Mikes (314-362-0262) or Ginny Ribaudo (314-362-4216).
19 Seminars
Melissa Torres (314-362-0287) provides administrative support for the BMB Seminar Series. Biophysical Evenings and Science Fridays are coordinated by the DBBS graduate students.

20 Staff Recruitment Process
Contact Jayma Mikes (314-362-0262) when ready to recruit.

21 Staff Time and Attendance Records
All monthly and biweekly staff members are required to complete either leave records or time and attendance records and submit them on designated dates through the HRMS system. Your WUSTL key is used to access this website. https://wuissrv20.wustl.edu/psp/HRMS/. Click on “Employee Self Service” to access “Time Reporting.” Please contact Jayma Mikes if you have any questions (314-362-0262).

22 Stockroom
The Biochemistry Stockroom is located on the 5th floor of the South Building. Patti Hunt (314-362-3339) is the Stockroom manager. Please visit http://biochem.wustl.edu/stockroom/ for information on the Stockroom.

23 Travel
Travel guidelines and forms are provided on the BMB website at http://biochem.wustl.edu/resources/operations/forms-info. Please contact Jayma Mikes (314-362-0262) with any questions regarding travel policies or procedures prior to traveling. The University Travel Advances and Travel Expenses Policy can be found at https://fishelp.wustl.edu/ap/Documents/070116%20Policy%20Statement%20for%20Travel%20Advances%20Travel%20Expenses%20v3.pdf

24 Visa Requests
Requests for J-1 and H-1B visas are processed by the Office of International Students and Scholars at Washington University. Please contact Jayma Mikes (314-362-0262) if you are interested in an applicant who requires visa certification.

25 Webpage Development
Faculty Webpages are generally developed by Nick Caito (http://biochemsupport.wustl.edu) after consultation with the PI.
26 WUSTLKEY Help
Nick Caito can help with WUSTLKey issues. Please submit an IT ticket to http://biochemsupport.wustl.edu if you need help.
